

Tena koutou katoa – Greetings to you all
School Roll: 130

FAREWELL

Last week we farewelled Logan Gibson from Totara class. We wish Logan and his family all the best with their move to Australia.

STUDENT BEHAVIOUR

This term we have had a small number of students pushing the boundaries regarding their behaviour where they are not following some of our POWER values, especially the important value 'respect'.

Rest assured, our whole staff is working extremely hard with these students and their families to turn this behaviour around.

We are presently working on strategies to help all students and will be updating our management systems to hopefully negate any unacceptable behaviour leading into Term 3.

To help support our staff, could you please discuss with your children over the holidays the importance of displaying exemplary behaviour at school. For example, what type of language is unacceptable, showing respect for staff and fellow students, and the importance of having self-control.

Thank you for your assistance with this.

MID-TERM REPORTS

These reports will be sent home on Friday. Please take the time to go over the report with your child/children, especially the 'key competencies' and the 'next learning steps'.

We will not be holding family conferences in Term 3, so if you need to discuss any aspect of the report with your child's teacher, please arrange a suitable time to do this.

ARIA ORIENTEERING

Congratulations to Caitlin Anselmi & Kayla Tyler who came 5th= in the year 5-6 individual section and the 'Clippers' who came 2nd in the Year 5-6 Teams section, well done to this team of Kayla Tyler, Grayson Telfer, Thomas Corley, Petra Lincoln, Eden Culpan and Jasmine Downs-Bryant.

SCHOOL ASTROTURF UPDATE

During the school holidays the turfing contractors will complete the astroturfing of our existing courts. We certainly look forward to using it when it is completed. We will have 2 tennis courts, 2 netball courts and a training facility for a range of sports.

MATARIKI

We have had a fantastic week of activities to celebrate Matariki week. A huge thank you to Caitlin Scott for organising this event and to the staff who ran a particular rotation of programmes each day for our House groups.

The kai which was prepared by our students and cooked by the staff was well-received.

Thank you to our families who provided the kai for the boil-up and soup and to the Supporters' Committee for your contribution of bread rolls.

SUPPORTERS' COMMITTEE

The Supporter's Committee would like to thank all those people who came to the 'Barn Dance' last Saturday night. It was an awesome night with great music, food and fun had by all.

Approximately \$5000 was raised, which is amazing, and will benefit our school immensely.

Please check out our list of sponsors who provided items for the auction in this newsletter. Remember to support these businesses, because without them we would not have raised the amount of funds on the night.

TOUGH GUY & GAL CHALLENGE

Our students had a most enjoyable time 2 weeks ago, clambering through mud and over a range of obstacles on the course at the Ngaruawahia Christian Camp. Huge thanks to the parents who provided transport and assistance on the day and to Mrs Telfer for organising the registrations and the students at this event.

POOL KEYS

These keys still need to be returned to school ASAP.

AGRICULTURAL DAY - ORGANISER NEEDED!

It is that time of year again!! Our Agricultural Day is held in October and is one of our biggest events in the year. The date is set at the first Otorohanga B & G Group Day meeting which is to be held on **Thursday 15th July 2021 at 7pm at The Otorohanga Club**. We must have 2 delegates from our school attend this meeting. These delegates don't necessarily have to be our organiser but we do need 2 people to

represent our school as Group Day is an event for all Otorohanga local schools and they require our support. Please let Emma Telfer know if you can help by attending this meeting 027 644 0434.

We are also looking for our next Ag Day coordinator/s to organise the calf, lamb and goat sections only for the day, teachers will be in charge of the Horticultural sections. This event can seem from the outside like a mammoth task but we have lots of support available here at school for someone or a small group of people who would like to give it a go! As calving season has sprung upon us already, we are aware that our farming families are getting busy. However, we will need someone to put up their hand in order for this event to be possible. Please contact Emma or any staff member if you can help.

June 2021

Situation Vacant

Otorohanga College Board of Trustees Secretary

A paid role offering secretarial support to the Board of Trustees has become available.

About this role:
 In this role you will be working closely with the Board of Trustees Chair to ensure exceptional and timely administration support to the Board.

Specific duties include:

- Agenda setting, collating meeting agenda items and organise online document availability
- Taking minutes of board meetings, committee meetings and other business
- Following up on decisions, deadlines, actions and outcomes from meetings
- Writing and distributing of meeting minutes
- Managing record keeping and correspondence
- Assisting with general administrative tasks

About you:

- Proven experience with Microsoft Office and Google platforms
- Have a professional approach with high levels of integrity and confidentiality
- Values that align with the College motto

This is an exciting new role for someone who has previous experience in providing quality administrative support. This is a paid role with a time commitment of an approximate maximum of 30 hours per month, with flexible hours and the ability to largely work from home. Salary range is Grade D of the Support Staff in Schools Collective Agreement.

Applicants are to send a cover letter outlining relevant skills and experience, along with their CV, to the BOT Chair, Lorraine Fox at lfox@otocoll.school.nz by 9th July at 1pm. An immediate start is available for the preferred candidate and full training is provided. To request a job description or for further enquiries, please contact Lorraine using the above email.
