

Tena koutou katoa – Greetings to you all
School Roll: 133

FAREWELL/WELCOME

We farewelled **Kaydence Lewis-Moore** from Kauri class this week and wish her all the best at her new school. Warm welcome to **Darius Lawry** to our school. We hope you have had a great start and settled in well in Puriri class.

POWER VALUES KIDS OF THE WEEK

Our positive behaviour for learning rewards programme is beginning to take shape. We are looking at ways to reward our students for positive behaviour. We have a POWER card which is handed out by staff on duty when they recognise a student for displaying a particular value. At present, all cards go into a box and we draw out 5 cards per week and the students receive a prize. This is short-term, as we are wanting to devise a system where students work towards collecting 5 POWER cards and then receive a tangible reward. We also need students to know that intrinsic motivation to 'do the right thing' is just as important. For example, keeping their classrooms tidy and their bedrooms tidy at home should occur without being asked. Just a mere thank you should be adequate.

Last week's prizes went to:

Zoe King, Caleb Cocks, Jonty Aymes, Pania Miles & Jasmine Downs.

SCHOOL ASTROTURF UPDATE

This new facility is now in full use by our students with a range of games being played during morning and lunchtime breaks. Classes have also begun to use it for a range of activities which is great to see.

At present we are looking at our options for tennis nets and netball/basketball goals. For example, portable tennis nets on wheels.

SPORTS CAMP

The 38 year 6, 7 and 8 students who attended the Sports Camp at Matamata last week had an amazing week of playing a range of sports against 8 other schools from Northland, Auckland, Waikato and Bay of Plenty. They acquitted themselves extremely well against some of those schools who have rolls of between 300 and 900 students.

The feedback from staff and parents who attended was very positive regarding the students' behaviour and their attitude towards giving their best effort and showing excellent sportsmanship.

Thank you to Emma Telfer for organising this event for our students and to Karen Coleman and Helen Twentyman for their assistance. Also, to Scott Culpán, Melisa Lincoln and Michael Ritch, thank you for helping the teachers and students during the week.

Thanks also to those parents who provided transport to and from camp.

"...loved seeing all children getting to experience and succeed in new/different sports." - Mrs Coleman

"Over the week it was awesome to see students grow as sportsmen/sportswomen and strengthen their relationships with their peers and become even more well-rounded individuals." - Mrs Twentyman

"The basketball games were really fun, especially my 3 pointer hook shot." - Kaleb Lincoln

"The cheer filled the whole room as we did our cheer dance." - Lachlan Thompson

"My favourite highlight was indoor soccer and getting a winning goal." - Kennedy Cruickshank

"I loved how there was always something to do and how everyone played their hearts out." - Hunter Coleman

"Having a variety of sports was amazing and also very cool having human foosball." - Sienna Roberts

KIO KIO SCHOOL SUPPORTERS' COMMITTEE CALF SCHEME

Dear Kio Kio Community
This year Kio Kio School will be running a 'donate a calf' or the 'proceeds of a cull cow' fundraiser.

All proceeds will go towards teaching & learning resources

CALVES
This fundraiser is where we ask farmers to donate and rear a calf for the school. The calf can be either a:
Jersey Bull
Friesian Bull
Angus Bull
Hereford Cross Bull

The calves will be collected in early November and on sold. They must be NAIT registered and 100kg

CULL COWS
Rearing a calf may not be a feasible option for you but donating the proceeds of a cull cow may suit you better. This can happen at any time that suits you and your farming operation. Or done through Silver Fern Farms, by nominating a school.

The calves will be collected in early November and on sold. They must be NAIT registered and 100kg

Please complete the form attached and return to school
