"Playing the Game of Life"

#12

**Tena koutou katoa –
Greetings to you all**

School Roll: 138 students

FAREWELL

Recently, we farewelled Lovey Latu, Mya-Marie Latu, Evie Milne, and Chloe Searle. We wish them well for the rest of the school year.

STAFF FAREWELL

At the end of July, Caitlin Wylie, who has been on parental leave with her new boy Oliver, resigned from her teaching position at our school. Caitlin taught in Kowhai class and is now teaching at Hopscotch Early Learning Centre. We thank Caitlin for her kindness and dedication towards her students. We wish Caitlin all the best for the future.

BOARD OF TRUSTEES - ELECTION RESULTS

We received 6 nominations for the 6 vacant positions on the Board, so no election was required. The new trustees are:

- Karen Thompson (chairperson) - Principal Environmental Technician at NIWA
- Wayne Lupton (property) - HOD Physical Education at Te Kuiti High School
- Michelle Anselmi (secretary) - Lawyer at Norris Ward McKinnon
- Natalie McMullan (finance) - Accounting Technician at Bailey Ingham
- Charlie Telfer* - Dairy Farmer
- Paul Fleming* - Dairy Farmer

***denotes new member**

Our new meeting minute secretary is Leanne Lawrence.

We thank Julian Usher, Tracy Griffin and Fiona Prescott for their time on the Board. Your dedication and support to our school is truly appreciated.

5YA BUILDING PROJECT

Finally, our school projects will get underway in the school holidays. The first part of the project will begin with 3 large sliding doors positioned on the 3 main block classrooms facing the top field.

New carpet, lino, heat pumps and LED lighting will be installed in these rooms. A new 4 metre wide

deck with an overhead roof will also be attached to this block.

All buildings will have LED lighting installed with Kowhai class getting a new heat pump.

Our library will be getting new carpet and hot water to the toilets.

We will be getting a new alarm and fire emergency system.

Matt Whitmarsh Architects will be project managers and Paul Rattray Builders will be in charge of the project. We have endeavoured to use local tradespeople for most of the project work.

There will be some disruption during Term 4, but we will work with the contractors to keep this to a minimum.

SCHOOL PRODUCTION

What an outstanding school production last week! A huge amount of work goes into a school production with auditioning students for roles, classes learning dances and songs, many, many practices, costume hire and making, prop making, organising sound and lighting, ticket sales, selling of food, the list goes on...

There are a lot of people to thank. If I miss you out, my apologies. Thank you Mrs Coleman and Mrs Telfer as co-directors/producers (you worked tirelessly), Mrs Culpan for making and assisting with set design and props making and our stage manager, teachers and support staff for your awesome work with students, etc... Mr Morris for props making, Mrs Hammond-Tutty for sound tech, Bree Coleman for lighting tech, Mrs Thompson and Mrs Wright, our office staff for ticket sales, parents and families for assisting at the productions in various roles. And finally, a huge thanks to our students who performed in the shows. You got better with each show and we are extremely proud of your performances.

AGRICULTURAL DAY - TUESDAY 25 OCTOBER

Judges Field Day – Kihikihi Domain Tuesday 13th September 11am. Please consider attending this Judges Field Day, if you are interested in learning to become a judge or would like to know more about how to support your child with a calf or lamb, it is a very informative day. As the more experienced judges are now beginning to retire, there is a need for people to be able to step into these roles.

**Waikato Show -Thursday, 28th October
Group Day - Wednesday, 2nd November**

Please see attached newsletters for more detailed Ag Day information.

AGRICULTURAL GROUP DAY COMMITTEE MESSAGE:

All special needs and home schooled children are welcome to attend Group day and a local school pet day. The parent's are to phone their nearest school to advise of their child's/children's attendance.

SPORTS CAMP

Next week, Karen Coleman and Emma Telfer, with the support of parents, will be taking 35 senior students to the Totara Springs Sports Camp at Matamata. Our students will be competing against 7 other schools which are either similar size to our school or bigger.

The students will be involved in a cross-section of sports. For example: basketball, bowls, rugby, hockey, chess, table tennis, wall ball, darts, volleyball, cross country, tennis, kayaking, plus many more.

This camp gives students the opportunity to 'have a go' at sports they might not otherwise consider playing. Our Kio Kio POWER Values will be really important for the week at camp.

Thanks heaps to Mel O'Brien from Oto Dance Company for choreographing and teaching our students their dance routine for 'Cheer' night on Thursday at camp.

OLYMPIC AMBASSADOR

It was a real privilege to have Olympic Ambassador Max Brown speak to our senior school yesterday about RESILIENCE and RESPECT in sport. Max competed at the 2020 Tokyo Olympics in the K2 Canoe Sprint (1000m). He highlighted the importance of practice, nutrition, resilience, and having fun when training or participating in any sport.

PEANUT ALLERGY

We have a student in Rimu class with a severe peanut allergy who cannot come in contact with **peanuts** or **products with peanuts in them**.

We are asking that parents do not send peanuts or any peanut related products to school, so that we can keep this student safe. Thank you for your understanding.

FIRE DRILL

Today we had an emergency fire drill at 10.15am. The students and staff assembled behind the farthest soccer goal posts on the top field.

All staff had areas to check as they moved to the field. Our students were fantastic, moving quickly and quietly without too much fuss and did this in a record time of under 5 minutes.

Our next drill later this term will cover lockdown procedures.

DAFFODIL DAY - TOMORROW!

Tomorrow we will be supporting Daffodil Day. We are encouraging students and staff to wear yellow, green and/or orange. We will also be collecting gold coin donations if you would like to contribute. All money collected will be forwarded to the NZ Cancer Society.
